Rules apply April 1, 2004
through March 31, 2005

MICHIGAN INLAND TROUT & SALMON GUIDE

*Visit us on the Web at:
www.michigan.gov/dnr*

Atlantic Salmon

torpedo shaped body

black "x" marks
on upper body

upper jaw extends
to rear of eye

Brook Trout

wormy marks on back

black and white edges on fins

slightly
forked tail

Brown Trout

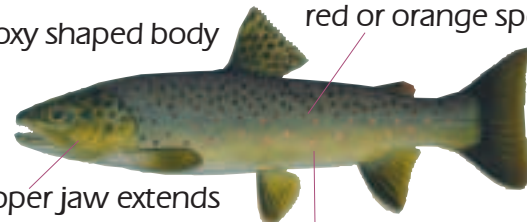

boxy shaped body

red or orange spots

upper jaw extends
beyond rear of eye

abdomen usually yellow

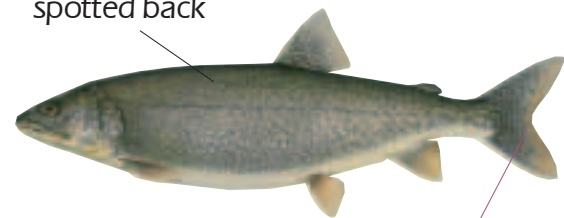

square tail

Lake Trout

spotted back

well forked tail

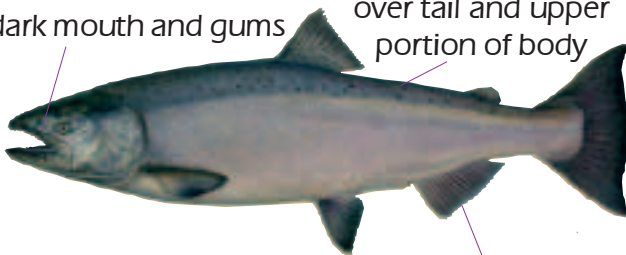

Chinook (King) Salmon

dark mouth and gums

large black spots
over tail and upper
portion of body

15-17 anal fin rays

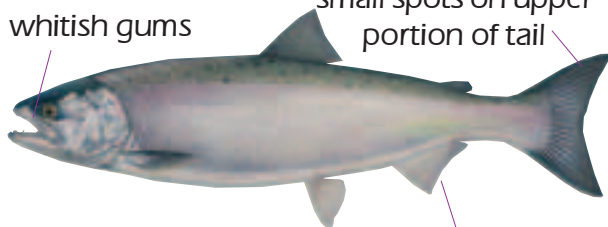

Coho Salmon

Dark mouth with
whitish gums

small spots on upper
portion of tail

13-15 anal fin rays

Rainbow Trout

usually pink streak

spotted tail with
definite fork

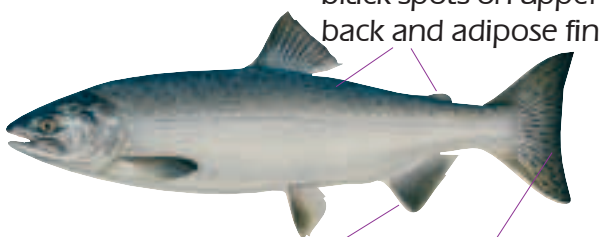

Pink Salmon

black spots on upper
back and adipose fin

13-19 anal fin rays

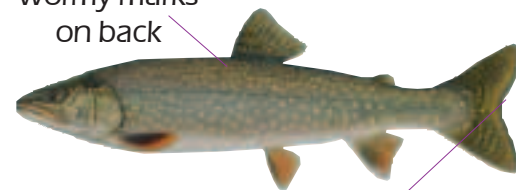

black spots on tail

Splake (Brook trout x Lake trout cross)

wormy marks
on back

slightly forked tail

About This Guide

The information contained in this guide provides fishing regulations that pertain only to the taking of trout and salmon from inland waters, and is not a comprehensive guide for all fishing regulations. **These regulations are in effect from April 1, 2004 - March 31, 2005.** Fishing regulations for other species taken from inland waters, and for trout and salmon taken from the Great Lakes can be found in the 2004 Michigan Fishing Guide or online at www.michigan.gov/dnr.

Gear Restrictions

On all streams (including tributaries to the Great Lakes) during the time period August 1-May 31, it shall be unlawful to use multi-pointed hooks exceeding 3/8 inch between point and shank and/or single-pointed hooks exceeding 1/2 inch between point and shank. Also, during this time period, it shall be unlawful to use lures exceeding one (1) ounce. The Detroit River, St. Marys River and St. Clair River are exempt from these restrictions.

Description of Inland Waters

Inland waters are all waters within the jurisdiction of the state except Lakes Michigan, Superior, Huron and Erie, and the bays and connecting waters. The connecting waters between Lake Superior and Lake Huron include that portion of the St. Marys River located within this state. The connecting waters of Lake Huron and Lake Erie include the St. Clair River, Lake St. Clair and the Detroit River, extending from Fort Gratiot Light in Lake Huron to a point in the lower Detroit River where an imaginary line, extended due east from shore, crosses the river at the most southerly part of Celeron Island. Inland waters also include all inland lakes, streams and tributaries to the Great Lakes.

Definitions

Artificial Lure: Any lure or fly manufactured in imitation of, or as a substitute for, natural bait.

Artificial Fly: Any commonly accepted single hook wet or dry fly, streamer or nymph, without spinner, spoon, scoop or any other fishing lure or bait attached. The fly or leader may be weighted, but no weight shall be attached to the fly or terminal tackle in a manner that allows the weight to be suspended from or below the hook.

Catch and Release: Fish caught must be returned to the water immediately.

Daily Limit: Total number of fish that you are permitted to catch and keep in one day.

Designated Trout Lake: A lake so designated in which trout are the predominant game fish. (All Type A, all Type D, and certain Type B lakes are considered designated trout lakes. FO-200 lists the Designated Trout Lakes and is available upon request.)

Designated Trout Stream: Any stream so designated which contains a significant population of trout or salmon. The publication, *Designated Trout Streams for the State of Michigan* (FO-210) is available upon request.

Open Season: The period of time during which it is legal to fish for a given species.

Possession Limit: Equal to the Daily Limit. Except a person may possess up to two (2) additional limits of coho, chinook or pink salmon taken during previous fishing days **provided** the additional limits are processed fish (canned, cured by smoking or drying, or frozen). Anglers who have not attained the age of 17 are entitled to the possession limit even though they do not have a fishing license. A person fishing waters bordered by other states or provinces AND possessing multiple fishing licenses may possess the limit allowed for ONLY ONE license while in transit, but while fishing in Michigan waters, must comply with Michigan possession and size limits.

Possession Season: That portion of the open season during which it is legal to harvest fish.

All Species License

All-species fishing licenses are required of all anglers, 17 years old or older, to take and possess trout and salmon from any public waters. In addition, an all-species license is required of anglers fishing on the following waters:

- All trout lakes designated by the Department under FO-200 (All Type A, all Type D, and certain Type B lakes).
- All Type 5, 6 and 7 streams designated by the Department under FO-200.
- All waters of the Great Lakes when trout and/or salmon are the target species.
- All designated trout streams (FO-210) when trout and/or salmon are the target species.

REPORT ALL POACHING
1-800-292-7800

TTY-HEARING IMPAIRED, 711 (MICHIGAN RELAY CENTER)

Catch and Release Fishing

When practicing catch and release, please follow these suggestions to reduce the risk of injury to the fish.

- Land your catch carefully and quickly. If possible avoid handling the fish at all and remove the hook with pliers.
- Use a landing net made of soft or knotless mesh and always try to net your fish head first.
- Try to keep the fish in the water and gently cradle it while carefully removing the hook.
- Leave your fish in the water until you are ready to take a photo.
- Keep your fingers out of the fish's gills since a torn gill could cause the fish to bleed to death.
- Touch your fish as little as possible. Always wet your hands when touching your fish.
- Cut the line near the hook if a fish is deeply hooked. A steel hook will rust away leaving the fish unharmed.
- Release your fish, pointing it into a slow current or gently moving it back and forth until its gills are working properly and the fish regains its balance. Once fully recovered, allow the fish to swim from your hands (big fish may take longer to recover).

Michigan - Wisconsin Boundary Waters

Please see the *2004 Michigan Fishing Guide* for fishing regulations on inland waters that form a common boundary between the states of Michigan and Wisconsin.

Isle Royale

Contact Isle Royale National Park Visitor Center for fishing regulations on inland waters (906-482-0984).

Sylvania Wilderness Area (Gogebic County)

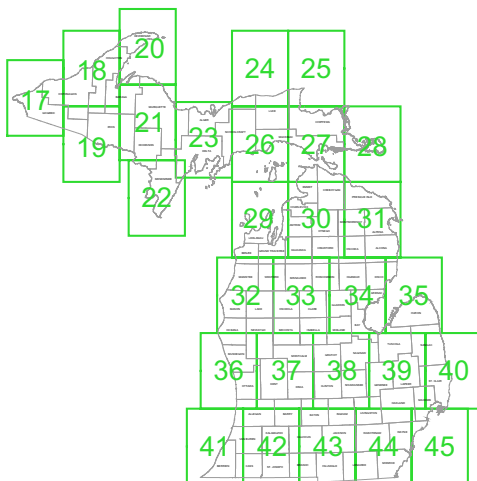

Any angler fishing the waters contained in the Sylvania Wilderness Area, Gogebic County, should refer to the regulations listed in the *2004 Michigan Fishing Guide*.

Fishing and Harvest Closures (Spawning Closures)

Michigan, like many states, prohibits fishing for various species at certain times of the year. These seasonal closures generally coincide with spawning periods and are often referred to as spawning closures. Many anglers and managers tend to think of these regulations as providing specific protection to spawning fish, and the timing and length of closed seasons are generally related to the timing and duration of spawning seasons. These closures are indicated by lake or stream in the county listings. Lakes and streams are closed to all fishing during the period listed. Outside of the closure period, the respective Type regulations apply.

Maps

Included in this guide is a section containing color-coded maps (pages 17-45). The maps were developed to assist anglers in locating waters that contain trout/salmon and the regulations that pertain to those lakes/streams. The maps are to be used as a general reference only. For exact boundaries of regulations on stream types 2-7, please refer to the text portion of this guide.

The numbers on the map
refer to the page numbers
in this guide.

The Michigan Department of Natural Resources provides equal opportunities for employment and access to Michigan's natural resources. Both state and federal laws prohibit discrimination on the basis of race, color, national origin, religion, disability, age, marital status, or sex under the Civil Rights Acts of 1964 as amended (MI PA 453 and MI PA 220, Title V of the Rehabilitation Act of 1973 as amended, and the Americans with Disabilities Act). If you believe that you have been discriminated against in any program, activity, or facility, or if you desire additional information, please write the DNR, HUMAN RESOURCES, PO BOX 30028, LANSING MI 48909-7528, **or** the MICHIGAN DEPARTMENT OF CIVIL RIGHTS, STATE OF MICHIGAN PLAZA BUILDING, 1200 6TH STREET, DETROIT MI 48226, **or** the OFFICE FOR DIVERSITY AND CIVIL RIGHTS, US FISH AND WILDLIFE SERVICE, 4040 NORTH FAIRFAX DRIVE, ARLINGTON VA 22203. For information or assistance on this publication, contact the MICHIGAN DEPARTMENT OF NATURAL RESOURCES, FISHERIES, BOX 30446, LANSING MI 48909.

County listing of lakes and streams

Below is a listing of the inland lakes and streams that are managed for trout and salmon, along with their respective type of regulation. For inland lakes, the lake name will appear under the appropriate county and will be followed by a letter (A-F). The letter designates the Type of regulations that apply to that lake. For streams, the stream name will be followed by a number (2-7) and any upstream/downstream boundaries that apply to that section of stream. Type 1 streams are not listed in the text, but they do appear in green on the maps. For a complete listing of all trout streams, refer to FO-210 (available at all DNR Fisheries Offices). Please see pages 15-16 for a description of each Type of regulation. An SC indicates a fishing closure for the area and period mentioned. This guide can also be found online at www.michigan.gov/dnr.

Alcona		minimum size limit, daily harvest/possession is (1) fish. From August 1-Friday before the last Saturday in April Type 4 regulations apply EXCEPT no harvest of brook trout is allowed during this period.
Lakes	Type	
O' Brien Lake,	A	
Reid Lake, (Designated Trout Lake)	B

Dukes Lake,	A	Square Lake,	A
Highbanks Lake,	A	Wintergreen Lake,	A
Naomikong Lake,	A	Zigmaul Pond,	A
Naomikong Pond,	A	Streams	
Roxbury Pond East,	A	Bark River,	4
Roxbury Pond West,	A	from 9 Road (Section Line Between T38N, R24W, Sec. 20 & 29) downstream to Lake Michigan.	
Trout Brook Pond,	A	Big Fishdam River,	4
Streams		from County Road 2222 Bridge (T41N, R18W, Sec. 9) downstream to Lake Michigan.	
Albany Creek,	4	Days River,	4
from bridge below lamprey weir to Lake Huron.		from Highway M-35 Bridge downstream to Lake Michigan.	
E. Br. Tahquamenon River,	2	Escanaba River,	2
downstream limit is North Hulbert Road (T46N, R07W, Sec. 9) Bridge.		from mouth of the W. Br. Escanaba R. (T43N, R25W, Sec. 3) downstream to Boney Falls Dam (T41N, R24W, Sec. 2).	
Halfaday Creek,	4	Escanaba River,	6
from Lakeshore Drive downstream to Lake Superior.		from Boney Falls Dam downstream to mouth of Silver Cr. (T40N, R23W, Sec. 11).	
Pendill's Creek,	4	Ford River,	4
from Second Dam (T47N, R4W, Sec. 28) downstream to Lake Superior.		from T43N, R27W, S. 35 (Dickinson County) downstream to L. Michigan	
Clare		Rapid River,	4
Lakes	Type	from County Road S-15 (T42N, R21W, Sec. 19) downstream to Lake Michigan.	
Little Long Lake,	B	Sturgeon River,	4
Crawford		from County Road 442 Bridge (T42N, R20W, Sec. 13) downstream to Lake Michigan.	
Lakes	Type		
Bright Lake,	A		
Glory Lake,	A		
Kneff Lake,	A		
Shupac Lake,	A		

Tacoosh River, from 29th Lane (County Road G-24) downstream to Lake Michigan.	4	Black River, from Rainbow Falls (T49N, R46W, Sec.10) downstream to Lake Superior.	3
Whitefish River, from 38th Road (U.S.F.S 2236) downstream to Lake Michigan.	4	Black River, from headwaters downstream to Rainbow Falls.	2
Dickinson		Duck Creek, upstream limit is Railroad Bridge in SE 1/4, SE1/4 Sec. 16, T44N, R39W.	6
Lakes Bass Lake,	Type B	Little Carp River, Research Area: from the last Saturday in April-July 31, Type 4 stream regulations apply EXCEPT brook trout regulations are as follows: 18" minimum size limit, daily harvest/possession is (1) fish. From August 1-Friday before the last Saturday in April Type 4 regulations apply EXCEPT no harvest of brook trout is allowed during this period. These regulations apply to that portion of the Little Carp from Trapper's Falls (T50 N, R45W, S.13) down to Lake Superior.	
Lake 29, (T41N, R29W, S29)	A		
Streams Ford River, from mouth of Two Mile Cr. (T43N, R29W, Sec. 18) downstream to T43N, R27W, Sec. 35.	2	Maple Creek, from Bridge in (T49N, R46W, Sec. 18) downstream to Lake Superior.	3
Eaton		Middle Branch Ontonagon River, downstream limit is Agate Falls.	2
Lakes Lake Alliance, (T3N, R4W, Sec. 26)	Type C	Ohman Creek, from County Road 505 downstream to Lake Superior.	3
Lake Interstate, (T3N, R3W, Sec. 8)	C	Presque Isle River, from confluence of East & West Br, Presque Isle River, downstream to Manabezho Falls.	2
Emmet		Presque Isle River, from Manabezho Falls to Lake Superior.	3
Lakes Walloon Lake,	Type B	Grand Traverse	
Streams Bear River, from Lake Street Bridge (T34N, R5W, Sec 6) downstream to Lake Michigan. Note: On the Bear River, from the mouth upstream to Lake Street Bridge (T34N, R5W, Sec. 6) it shall be unlawful to use other than one single-pointed unweighted hook measuring 3/8 inch or less from point to shank.	3	Lakes Duck Lake,	Type B
Carp Lake River, from Bridge in T39N, R4W, Sec. 32 downstream to Lake Michigan.	3	Elk Lake,	E
Maple River, from Dam T36N, R4W, Sec.10, Emmet County downstream to mouth.	2	Green Lake,	B
Gogebic		Sand Lake #1,	C
Lakes Beatons Lake,	Type B	Sand Lake #2,	D
Black River Lake,	B	Streams Boardman River, from Sabin Dam downstream to Lake Michigan. SC- Closed to Fishing - September 1-October 31 from North Union Street Bridge in Traverse City downstream to US-31 highway bridge. SC- Closed to Fishing - Whenever weir is in place within 300 feet upstream or downstream of weir in Traverse City.	
Castle Lake,	A		
Cornelia Lake,	A	Hillsdale	
Finger Lake,	B	Lakes Bear Lake,	Type C
Imp Lake,	B	Bird Lake,	C

7	All Year	No-Kill, catch and release only**	Artificial flies only+	0							

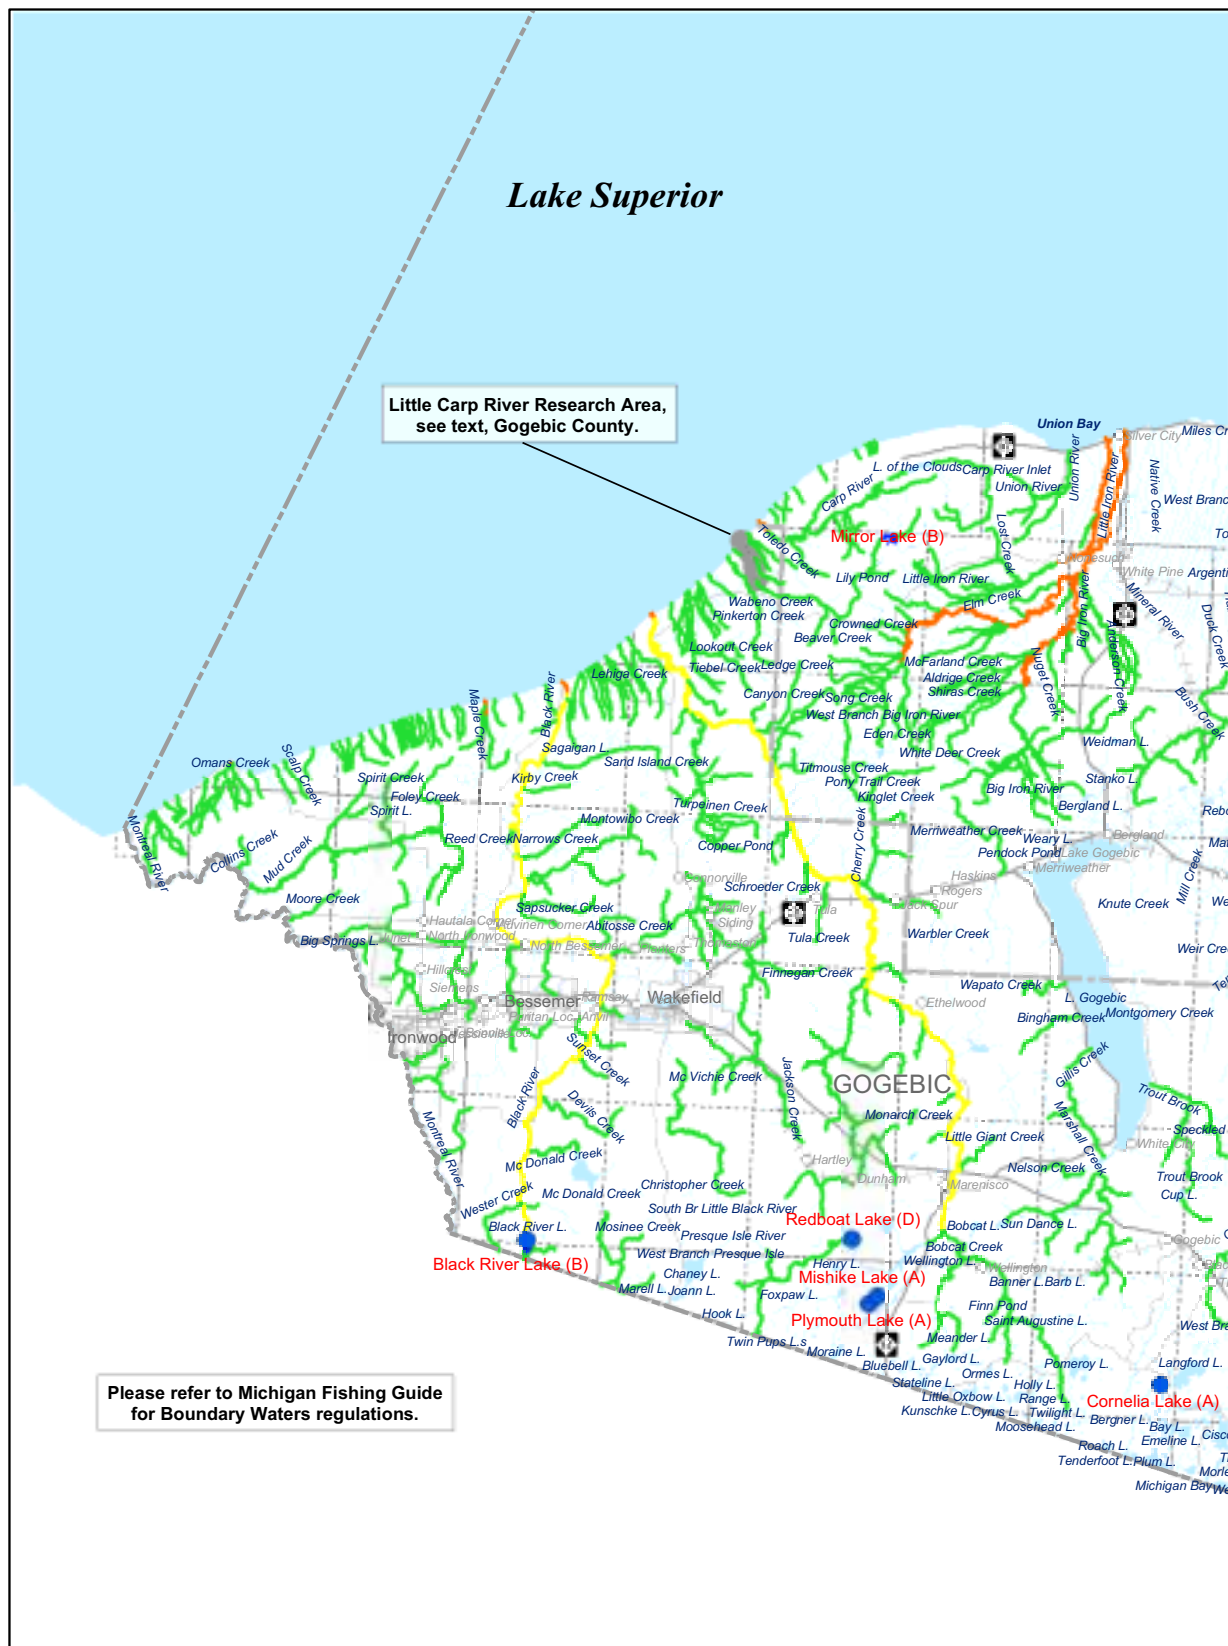

*5 fish, with no more than 3 fish 15 inches or larger, and no more than 1 Atlantic salmon.

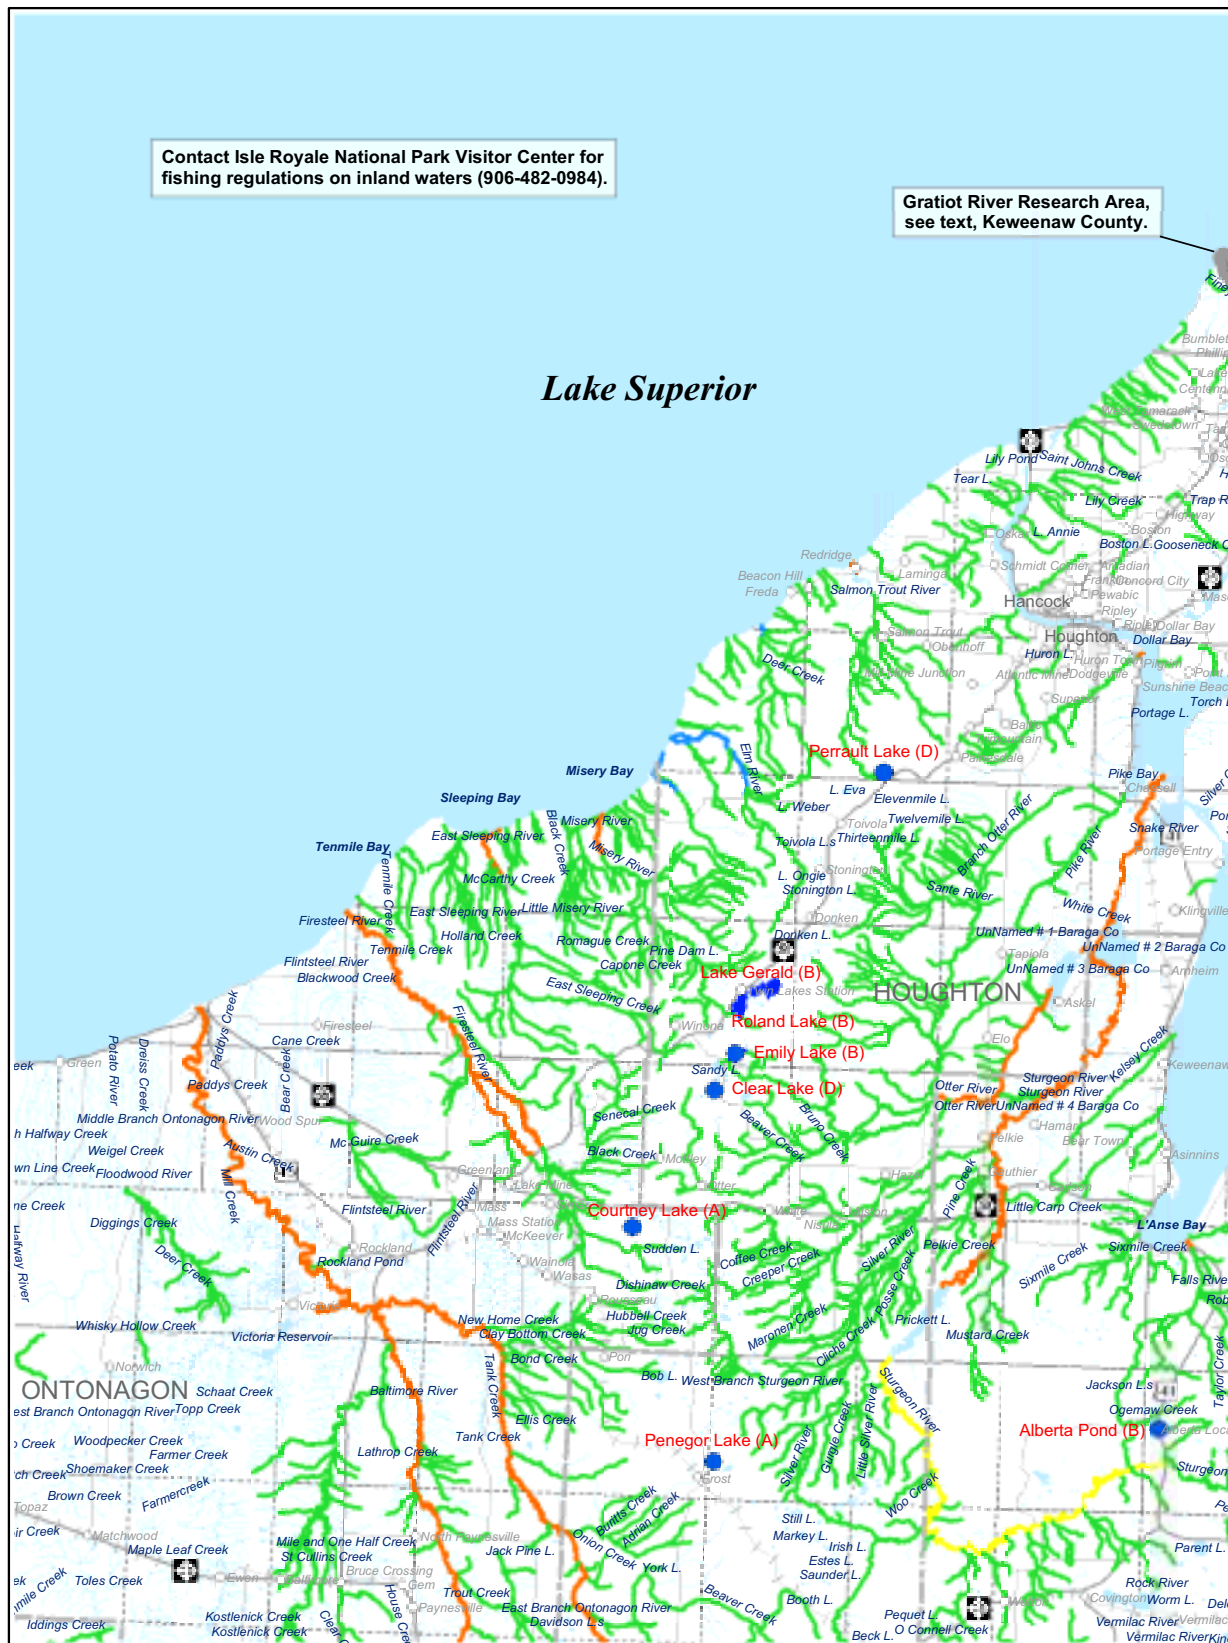

** Trout/salmon may not be possessed on Type 7 streams regardless of where caught, EXCEPT: for children under the age of 12, the daily possession limit is one fish, the minimum size limit is 8 inches and the maximum size limit is 12 inches. Fish less than 8 inches or greater than 12 inches must be released.

+ It is unlawful to use or possess live bait, dead or preserved bait, organic or processed food, or scented material on any of the waters or on shore.

 **Research Areas:** Portions of the AuSable River Mainstream (Oscoda County), Gratiot River (Keweenaw County), Hurricane River (Alger County), Huron River (Oakland County), Little Carp River (Gogebic County), Mosquito River (Alger County), Salmon-Trout River (Marquette County) and Seven Mile Creek (Alger County) are under special regulations. Similarly, Spring Mill Pond (Livingston County), is under special regulations. All of these waters are indicated on the maps with gray shading. Please see the county listings for specific regulations on these waters.

Except for Boundary Water streams **any other inland stream not classified by Type is open all year with an 8 inch minimum size limit and a 5 fish daily possession limit, no more than 3 of which may be 15 inches or greater.** Artificial lures and all types of natural bait may be used. Please see *2004 Michigan Fishing Guide* for Boundary Water fishing regulations.

This map illustrates the Saginaw River watershed, a significant water body in Michigan. The river is shown in blue, originating from the north and flowing south towards Saginaw Bay. Major tributaries are highlighted in green, including the Tittabawassee River, Shiawassee River, and Saginaw River. The map also shows the surrounding land area in light green, with various cities and towns marked. Key locations include Ogemaw, Arenac, Gladwin, Bay County, and Midland. The map is labeled with the names of the counties and the river, and includes a scale bar and a north arrow.
